GeBBS Healthcare Solutions Reaches 2,000 Employees Level

ENGLEWOOD CLIFFS, NJ, September 21, 2012 -- GeBBS Healthcare Solutions, Inc., an industry leader in healthcare revenue cycle management outsourcing solutions, announced today it has reached the 2,000 employee level in its global workforce. The company plans to add another 600 employees by the end its fiscal year, March 31, 2013. Many of the company's expanded employee base are being deployed in medical coding, a fast growing segment of GeBBS healthcare business.

"We are pleased that our growing business is providing employment for so many people, especially in light of the global economic downturn," commented Nitin Thakor, CEO and President of GeBBS Healthcare Solutions. "As our healthcare business continues to grow rapidly, we expect that our employee levels will also continue to increase to keep pace with our company's workload."
